Every Single Night by Fiona Apple

Every single night, I endure the flight
Of little wings of white-flamed butterflies in my brain
These (1)_____ of mine percolate the mind
Trickle down the spine
Swarm the belly, (2)_____ to a blaze
That's when the (3)_____ comes in
Like a (4)_____ skeleton
Trying to fit (5)_____ the skin
I can't fit the feelings in, no
Every single night's a light (6)_____ my brain
What do I say to her?
Why do I say it to her?
What does she think of me?
That I'm not (7)_____ I (8)_____ to be
That I'm (9)_____ I try not to be
It's got to be somebody else's fault
I can't get caught
If what I am is what I am, 'cause I (10)_____ what I does
Then brother, get back
'Cause my breast's gonna bust open
The rib is the shell and heart is the yolk
And I just need a (11)_____ for us (12)_____ to
(13)_____ on

Every single night's a fight with my brain
I just want to feel everything
I just (14)_____ to feel everything
I (15)_____ want to feel everything
So I'm gonna try to be still now
Gonna renounce the mill a little while and
If we had a double king size bed
We could (16)_____ in it and I'd soon forget
If (17)_____ I am is what I am, 'cause I does what I does
And (18)_____ I'd relax, let my breast (19)_____
(20)_____ open
My heart's made of parts of all that's around me
And that's why the devil (21)_____ can't get around me
Every single night's alright
Every single night's a fight
And every (22)_____ fight's alright with my brain
I just want to feel everything
I (23)_____ want to feel everything
I (24)_____ want to feel everything
I just (25)_____ to feel everything
