Every Single Night by Fiona Apple

Every (1)_____ night, I endure the flight
Of (2)_____ wings of white-flamed butterflies in my
brain
These ideas of mine percolate the mind
Trickle down the spine
Swarm the belly, swelling to a blaze
That's when the (3)_____ comes in
Like a (4)_____ skeleton
Trying to fit beneath the skin
I can't fit the feelings in, no
Every (5)_____ night's a light (6)_____ my
brain
What do I say to her?
Why do I say it to her?
What (7)_____ she (8)_____ of me?
That I'm not what I (9)_____ to be
That I'm what I try not to be
It's got to be (10)_____ else's fault
I can't get caught
If (11)_____ I am is what I am, 'cause I does what I does
Then brother, get back
'Cause my breast's gonna (12)_____ open
The rib is the shell and (13)_____ is the yolk
And I (14)_____ need a meal for us (15)_____ to
choke on

Every single night's a fight with my brain
I just (16)_____ to (17)_____ everything
I (18)_____ want to feel everything
I just want to feel everything
So I'm (19)_____ try to be still now
Gonna renounce the mill a (20)_____ while and
If we had a double king size bed
We could move in it and I'd soon forget
If what I am is (21)_____ I am, 'cause I (22)_____
(23)_____ I does
And maybe I'd relax, let my (24)_____ just bust
open
My heart's made of parts of all that's around me
And that's why the devil just can't get around me
Every single night's alright
Every (25)_____ night's a fight
And (26)_____ single fight's alright with my brain
I just want to feel everything
I just want to feel everything
I just want to feel everything
I just want to feel everything
