

Fill in the gaps

Every Single Night by Fiona Apple

Every single night, I (1)_____ the flight
Of little wings of white-flamed butterflies in my brain
These ideas of (2)_____ percolate the mind
Trickle (3)_____ the spine
Swarm the belly, swelling to a blaze
That's when the pain comes in
Like a (4)_____ skeleton
Trying to fit beneath the skin
I can't fit the (5)_____ in, no
Every single night's a light with my brain
What do I say to her?
Why do I say it to her?
What does she think of me?
That I'm not what I ought to be
That I'm (6)_____ I try not to be
It's got to be somebody else's fault
I can't get caught
If (7)_____ I am is what I am, 'cause I does what I does
Then brother, get back
'Cause my breast's gonna bust open
The rib is the shell and heart is the yolk
And I (8)_____ (9)_____ a meal for us
(10)_____ to (11)_____ on

Every single night's a fight with my brain
I (12)_____ (13)_____ to feel everything
I just want to feel everything
I just want to feel everything
So I'm gonna try to be still now
Gonna renounce the mill a little while and
If we had a double (14)_____ size bed
We could move in it and I'd soon forget
If what I am is (15)_____ I am, 'cause I does
(16)_____ I does
And maybe I'd relax, let my breast (17)_____ bust open
My heart's made of parts of all that's around me
And that's why the (18)_____ (19)_____ can't get
(20)_____ me
Every (21)_____ night's alright
Every (22)_____ night's a fight
And (23)_____ single fight's alright (24)_____ my
brain
I just want to feel everything
I just want to feel everything
I just (25)_____ to (26)_____ everything
I just want to feel everything
