Every Single Night by Fiona Apple

Every (1)_____ night, I endure the flight
Of little wings of white-flamed butterflies in my brain
These ideas of mine (2)_____ the mind
Trickle (3)_____ the spine
Swarm the belly, (4)_____ to a blaze
That's when the (5)_____ (6)_____ in
Like a second skeleton
Trying to fit beneath the skin
I can't fit the feelings in, no
Every single night's a fight with my brain
What do I say to her?
Why do I say it to her?
What (7)_____ she (8)_____ of me?
That I'm not what I (9)_____ to be
That I'm what I try not to be
It's got to be somebody else's fault
I can't get caught
If what I am is what I am, 'cause I does (10)_____ I does
Then brother, get back
'Cause my breast's gonna bust open
The rib is the shell and heart is the yolk
And I just need a (11)_____ for us both to choke on

Every single night's a fight with my brain
I (12)_____ want to feel everything
I just want to feel everything
I just want to feel everything
So I'm gonna try to be still now
Gonna renounce the mill a (13)_____
(14)_____ and
If we had a double king size bed
We (15)_____ (16)_____ in it and I'd soon forget
If (17)_____ I am is what I am, 'cause I does what I does
And maybe I'd relax, let my breast (18)_____ bust open
My heart's made of parts of all that's around me
And that's why the (19)_____ (20)_____ can't get
around me
Every single night's alright
Every single night's a fight
And every single fight's alright with my brain
