Every Single Night by Fiona Apple

Every single night, I endure the flight
Of (1)_____ wings of white-flamed
(2)_____ in my brain
These ideas of mine percolate the mind
Trickle down the spine
Swarm the belly, swelling to a blaze
That's when the pain comes in
Like a second skeleton
Trying to fit beneath the skin
I can't fit the (3)_____ in, no
Every single night's a light with my brain
What do I say to her?
Why do I say it to her?
What does she think of me?
That I'm not (4)_____ I ought to be
That I'm (5)_____ I try not to be
It's got to be somebody else's fault
I can't get caught
If what I am is what I am, 'cause I does what I does
Then brother, get back
'Cause my breast's (6)_____ bust open
The rib is the shell and heart is the yolk
And I just (7)_____ a (8)_____ for us both to choke
on

Every (9)_____ night's a (10)_____ with my
brain
I just want to feel everything
I (11)_____ (12)_____ to feel everything
I (13)_____ want to feel everything
So I'm gonna try to be still now
Gonna renounce the mill a little while and
If we had a (14)_____ (15)_____ size bed
We (16)_____ move in it and I'd soon forget
If what I am is what I am, 'cause I does what I does
And maybe I'd relax, let my breast (17)_____ bust open
My heart's made of parts of all that's (18)_____ me
And that's why the devil just can't get around me
Every single night's alright
Every (19)_____ night's a fight
And (20)_____ single fight's alright with my brain
I (21)_____ want to feel everything
I just want to feel everything
I (22)_____ (23)_____ to feel everything
I just want to feel everything
