Every Single Night by Fiona Apple

Every (1)_____ night, I (2)_____ the flight
Of little wings of white-flamed butterflies in my brain
These ideas of mine percolate the mind
Trickle down the spine
Swarm the belly, swelling to a blaze
That's when the (3)_____ (4)_____ in
Like a second skeleton
Trying to fit beneath the skin
I can't fit the feelings in, no
Every single night's a light with my brain
What do I say to her?
Why do I say it to her?
What does she think of me?
That I'm not what I (5)_____ to be
That I'm what I try not to be
It's got to be (6)_____ else's fault
I can't get caught
If what I am is what I am, 'cause I does what I does
Then brother, get back
'Cause my breast's gonna bust open
The rib is the (7)_____ and heart is the yolk
And I just need a (8)_____ for us (9)_____ to choke
on

Every single night's a fight with my brain
I just want to feel everything
I just want to feel everything
I just want to (10)_____ everything
So I'm gonna try to be still now
Gonna (11)_____ the mill a
(12)_____ while and
If we had a (13)_____ king size bed
We (14)_____ move in it and I'd soon forget
If what I am is (15)_____ I am, 'cause I (16)_____
what I does
And maybe I'd relax, let my breast just bust open
My heart's (17)_____ of parts of all that's around me
And that's why the (18)_____ just can't get around me
Every single night's alright
Every (19)_____ night's a fight
And (20)_____ single fight's alright with my brain
I just want to (21)_____ everything
I just (22)_____ to (23)_____ everything
I just want to (24)_____ everything
I just want to feel everything
