

Crush by Jennifer Paige

(Ah, crush, ah...)

See you blowin' me a kiss

It doesn't take a scientist

To understand what's goin' on baby

If you see somethin' in my eye

Let's not over analyze

Don't go too deep with it (1)_____ (baby)

So let it be, what it'll be

Don't make a fuss and go (2)_____ over you and me

Here's (3)_____ I'll do, I'll be loose

Not like we have a date with destiny

It's just, a little crush (crush)

Not (4)_____ I faint, every (5)_____ we touch

It's just, some little thing (crush)

Not like every thing I do

Depends on you

(Sha la la la)

(Sha la la la)

It's raisin' my adrenalin'

You're bangin' on a heart of tin

Please don't (6)_____ too much of it, baby (baby)

Say the word "forever" more

That's not what I'm lookin' for

All I can commit to is maybe (maybe)

So let it be

What it'll be

Don't (7)_____ a fuss and go crazy over you and me...

Here's what I'll do, I'll be loose

Fill in the gaps

Not like we have a date with (8)_____ (oh, oh...)

It's just, a little crush (crush)

Not (9)_____ I faint, every time we touch

It's just, some little thing (crush)

Not like every thing I do

Depends on you

(Sha la la la)

(Sha la la la)

Vanilla skies (vanilla skies)

White picket fences in your eyes

A vision of you and me (and me...)

It's just, a little crush (crush)

Not (10)_____ I faint, every time we touch

It's just, some little thing (crush)

Not like every thing I do

Depends on you

(Sha la la la)

Not like I faint, every time we touch

It's just, some little thing

Not like every thing I do

Depends on you

(Sha la la la)

Not like I faint, every time we touch

(It's just, some little thing)

...

Answer

1. baby
2. crazy
3. what
4. like
5. time
6. make
7. make
8. destiny
9. like
10. like

Fill in the gaps
