Living In A World Without You by The Rasmus

It's hard to believe that it came to this	Oh there's a world without you
You paralysed my body with a poison kiss	I see the light
For 40 (1) and (2) I was chained to	Living in a world without you
your bed	Oh there is hope to guide me
You thought that was the end of the story	I will survive
Something inside me called freedom came alive	Living in a world without you
Living in a world without you	Its hard to believe that it came to this
You told me my darling	You paralysed my body with a poison kiss
Without me you're nothing	For 40 days and nights I was (6) to your
You taught me to look in your eyes	bed
And fed me your sweet lies	You thought that was the end of the story
Suddenly someone will stare in the window	Something inside me called (7) came alive
Looking outside at the sky that had never been blue	Living in a world without you
Oh there's a (3) without you	Its hard to believe that it came to this
I see the light	You paralysed my body with a poison kiss
Living in a world without you	For 40 days and nights I was (8) to your
Oh (4) is hope to guide me	bed
I will survive	You thought that was the end of the story
Living in a world without you	Something inside me called freedom came alive
Its hard to believe that it came to this	Living in a world without you
You paralysed my body with a poison kiss	Oh there's a world without you
For 40 days and nights I was chained to (5) bed	I see the light
You thought that was the end of the story	Living in a world without you
Something inside me called freedom came alive	Oh there is hope beside me
Living in a world without you	I will survive
You put me together	Living in a (9) without you
Then trashed me for pleasure	Living in a world without you
You used me again and again	Living in a world without you
Abused me, confused me	Living in a world without you
Suddenly naked I run through your garden	Living in a world without you
