

## Fill in the gaps

| Under your spell again                        |
|---|
| I can't say no to you                         |
| Crave my heart and it's bleeding in your hand |
| I can't say no to you                         |
| Shouldn't let you torture me so sweetly       |
| Now I can't let go of this dream              |
| I can't (1) but I (2) good enough             |
| I feel good enough                            |
| For you                                       |
| Drink up sweet decadence                      |
| I can't say no to you                         |
| And I've completly (3) myself                 |
| And I don't mind                              |
| I can't say no to you                         |
| Shouldn't let you conquer me completely       |
| Now I can't let go of this dream              |

| Can't believe that I feel good enough   |
|---|
| I feel (4) enough                       |
| It's been such a long time              |
| Coming, but I feel good                 |
| And I'm (5) waiting for the (6) to fall |
| Pour real life down on me               |
| Cause I can't hold on                   |
| To anything (7) (8) enough              |
| Am I good enough                        |
| For you to love me too?                 |
|   |
| So (9) care what you ask of me          |
| Cause I can't say no                    |
