## I'm A Slave 4 U by Britney Spears

## Fill in the gaps

| I know I may be young                            |              | Get it get it, get it get it (whoa)             |
|--|--------------|---|
| But I've got feelings too                        |              | Get it get it, get it get it (whoa)             |
| And I need to do what I feel like doing          |              | Get it get it, get it get it (oh)               |
| So let me go and just listen                     |              | I really want to dance, tonight (6) you         |
| All you people look at me like I'm a little girl |              | (I just can't help myself)                      |
| Well did you ever think it be okay               |              | I really want to do what you want me to         |
| For me to step into this world                   |              | (I just feel I let myself go)                   |
| Always saying (1) (2)                            | _ don't step | I really want to dance, tonight with you        |
| into the club                                    |              | (Wanna see you move)                            |
| Well I'm just tryin' to find out why             |              | I really (7) to do what you want me to          |
| Cause dancing is what I love                     |              | (Uh uh uh)                                      |
| Get it get it, get it get it (whoa)              |              | Baby, don't you want to, dance upon me          |
| Get it get it, get it get it                     |              | (I just want to dance (8) to you)               |
| Do you like it (whoa)                            |              | To another time and place                       |
| Get it get it, get it get it (oh)                |              | (Oh) Baby, don't you want to, dance upon me     |
| (This feels good)                                |              | (Are you ready)                                 |
| I know I may come off quiet                      |              | Leaving behind my name, my age                  |
| I may come off shy                               |              | I'm a slave for you (take that)                 |
| But I feel like talking, feel like dancing       |              | I cannot (9) it, I cannot control it            |
| When I see (3) guy                               |              | I'm a slave (It (10) feels right) for you       |
| What's practical is logical                      |              | (It just feels good)                            |
| What the hell, who cares?                        |              | I won't deny it, I'm not trying to hide it baby |
| All I know is I'm so happy                       |              | Get it get it, get it get it (whoa)             |
| When you're dancing there                        |              | Get it get it, get it get it (whoa)             |
| I'm a slave for you                              |              | Get it get it, get it get it (oh)               |
| I cannot hold it, I (4) control it               |              | Get it get it, get it get it (whoa)             |
| I'm a slave for you                              |              | Get it get it, get it get it (whoa)             |
| I won't deny it, I'm not trying to hide it       |              | Get it get it, get it get it (oh)               |
| Baby, don't you want to, dance upon me           |              | I'm a slave for you (here we go now)            |
| (I just want to (5) next to you)                 |              | I cannot hold it, I cannot control it           |
| To another time and place                        |              | I'm a slave for you (here we go)                |
| Oh baby, don't you want to, dance upon me        |              | I won't deny it (yeah)                          |
| (Are you ready)                                  |              | I'm not trying to hide it                       |
| Leaving behind my name, my age                   |              | (Like that)                                     |
| (Lets go)  |              |   |
| (Like that)                                      |              |   |
|  |              |   |
| (Now watch me)                                   |              |   |

- 1. little
