

## Fill in the gaps

I know I may be young	Get it get it, get it get it (whoa)
But I've got feelings too	Get it get it, get it get it (whoa)
And I need to do (1) I (2) like doing	Get it get it, get it get it (oh)
So let me go and just listen	I (20) want to dance, tonight with you
All you people (3) at me like I'm a little girl	(I just can't help myself)
Well did you ever think it be okay	I (21) want to do what you want me to
For me to step into (4) world	(I just feel I let myself go)
Always saying little girl don't step into the club	I really want to dance, (22) with yo
Well I'm (5) tryin' to find out why	(Wanna see you move)
'Cause (6) is what I love	I really want to do what you want me to
Get it get it, get it get it (whoa)	(Uh uh uh)
Get it get it, get it get it	Baby, don't you want to, dance (23) me
Do you (7) it (whoa)	(I just want to dance next to you)
Get it get it, get it get it (oh)	To another time and place
(This (8) good)	(Oh) Baby, don't you want to, dance upon me
I know I may (9) off quiet	(Are you ready)
I may come off shy	Leaving (24) my name, my age
But I feel like talking, (10) (11) dancing	I'm a slave for you (take that)
When I see this guy	I cannot hold it, I cannot control it
What's practical is logical	I'm a slave (It just (25) right) for you
What the hell, who cares?	(It just (26) good)
All I (12) is I'm so happy	I won't deny it, I'm not trying to hide it baby
When you're dancing there	Get it get it, get it get it (whoa)
I'm a (13) for you	Get it get it, get it get it (whoa)
I cannot hold it, I (14) control it	Get it get it, get it get it (oh)
I'm a (15) for you	Get it get it, get it get it (whoa)
I won't deny it, I'm not trying to hide it	Get it get it, get it get it (whoa)
Baby, don't you (16) to, dance upon me	Get it get it, get it get it (oh)
(I just want to dance next to you)	I'm a slave for you (here we go now)
To another (17) and place	I cannot hold it, I (27) control it
Oh baby, don't you want to, dance upon me	I'm a slave for you (here we go)
(Are you ready)	I won't deny it (yeah)
Leaving (18) my name, my age	I'm not trying to hide it
(Lets go)	(Like that)
(Like that)	
(Now (19) me)	

## 1. what
