Fill in the gaps

The Voice Within by Christina Aguilera

Young girl, don't cry	No one reaches out a hand for you to hold
I'll be right here when your world starts to fall	When you're lost outside, look inside to your soul
(Uh)	When there's no one else, look inside yourself
Young girl, it's alright	Like your oldest friend, just trust the voice within
Your tears will dry, you'll soon be free to fly	Then you'll find the strength, that will guide your way
(Uh)	If you'll learn to begin to trust the voice within
When you're safe inside your room, you tend to dream	Life is a journey
Of a place where nothing's harder (1) it seems	It can take you anywhere you choose to go
No one ever wants or bothers to explain	As long as you're learning
Of the heartache life can (2) and what it means	You'll find all, you'll (6) need to know
When there's no one else, look inside yourself	Break it
Like your oldest friend, just trust the voice within	You'll make it
Then you'll find the strength, that will guide your way	Just don't forsake it because
You'll (3) to begin to trust the voice within	
(Oh)	No one can (7) you, you know that I'm talking to
Young girl, don't hide	you
You'll never change if you just run away	When there's no one else, (8) inside yourself
(Uh)	And like your oldest friend, just trust the voice within
Young girl, (4) hold tight	Then you'll find the strength, (9) will guide your
Soon you're gonna see your (5) day	way
(Oh)	You'll learn to begin to trust the voice within
Now, in a world where innocence is quickly claimed	Young girl, don't cry
It's so hard to stand your ground, when you're so afraid	I'll be right here when your world starts to fall
