(Hey)	Ain't no other man that can stand up next to you

Couldn't (3) to be apart	You're the kinda guy a (18) finds, in a
Something about you caught my eye	(19) moon
Something moved me (4) inside	You got soul (soul), you got class (class)
I don't know what you did boy, but you had it	You got style with your badass (yeh yeh yeah)
And I've (5) hooked ever since	Ain't no other man it's true
I told my mother, my brother	Ain't no other man but you
My (6) and my friends	(Break it down now)
Told the (7) (others), my lovers (lovers)	Ain't no other, ain't, ain't, no other, other
Both (8) and present tense (oh right)	Ain't no other, ain't, ain't, no other lover
That every time I see you	Ain't no other, I, I, I need no other
Everything starts making sense	Ain't no (20) man but you
(Do (9) thing honey)	You are there when I'm a mess
Ain't no other man that can stand up next to you	Talk me (21) from every ledge
Ain't no other man on the planet, does what you do	Give me strength, boy you're the best
You're the kinda guy a girl finds, in a (10) moon	You're the only one who's (22) (23)
You got soul, you got class	every test
You got style (11) your (12) (oh	Ain't no other man that can stand up next to you
yeah)	(Next to you)
Ain't no other man it's true (all right)	Ain't no other man on the planet, does what you do
Ain't no other man but you	You're the kinda guy a girl finds, in a blue moon
Never thought I'd be alright (no no no)	You got soul, you got class
Till you came and (13) my life (yeh yeh	You got style with your badass
yeah)	Ain't no other man it's true
What was (14) now is clear (yeh yeh)	Ain't no other man but you
You're the light that I needed	And now I'm telling you
You got what I want boy, and I want it	So ain't no other man but you (hey)
So keep on (15) it up	Ain't no other man that can (24) up next to you
So tell your mother, your brother	Ain't no other man on the planet, does what you do
Your (16) and your friends	You're the kinda guy a girl finds, in a blue moon
(Your sister and your friends)	You got soul, you got class
