

## Fill in the gaps

(Yo, yo)	All rise (I'm (14) (15) it to
Your (1) please	(16) face)
Gotta (2) what I say	All rise
What I will tell	(I rest my case)
Happened just the (3) day	So step back
must confess	'Cause you don't (17) this cat
Cause I had about enough	I know deep down that
need your help	You don't want me to react
Gotta make this here (4) stop	I lay low
Baby I swear I tell the truth	Leaving all my options open
About all the things you (5) to do	The decision of the jury has not (18) spoken
And if you thought you had me fooled	Step in my house
'm tellin' you now	You find that your stuff has gone
Objection overruled	But in (19) to whom does the stuff belong?
Here we go, oh baby	I bring you (20) court
One for the (6) and the free rides	To preach my order
t's two for the lie that you denied	And you know that
All rise	You overstep the (21) (Uhuh)
All rise	One for the money and the free rides
Three for the (7) you've been making	It's two for the lie (22) you denied
t's (8) for the times you've been faking	All rise
All rise (I'm gonna tell it to (9) face)	All rise
All rise	Three for the (23) you've been making
(I (10) my case)	It's four for the times you've (24) faking
You're on the stand	All rise
Nith your back against the wall	All rise
Nowhere to run	One for the money and the free rides (what you say)
And nobody you can call	It's two for the lie that you denied (games you pay)
Oh no	All rise (what you've done?)
just can't wait	All rise
Now the case is open wide	Three for the calls you've been making (what you say)
You'll try to pray	It's four for the (25) you've been faking (games
But the jury (11) decide	you pay)
Baby I swear I tell the truth	All rise (what you've done?)
About all the things you (12) to do	All rise (where you've gone?)
And if you thought you had me fooled	One for the money and the free rides
'm tellin' you	It's two for the lie (26) you denied
Objection overruled	All rise
Oh baby	All rise
One for the money and the free rides	Three for the (27) that you've, been making
t's two for the lie that you denied	It's four all the time you've been faking (I said)
All rise	All rise
All rise	All rise
Three for the calls you've been making	(I rest my case)
t's (13) for the times you've been faking
