

Hear my prayer now

## Too Good To Lose by Rebecca Ferguson

Hey when you get tired	Just say the word and I could be there now
When you're waiting for a train	(Oh) I say my (6) now
When nothing's exciting you	Just give me time and I will be (7) now (oh)
I'm probably (1) about you then	You're too good to lose
Every time you cross my mind	You're too good to lose
You're (2) a prayer, a precious sign, sign, sign,	You're too good to lose
sign	You're too good to lose
Hear my prayer now	I'll be there when you get lost
Just say the word and I could be there now	When you need somebody
(Oh) I say my prayer now	Keep your name on my heart
Just give me time and I will be there now	Because
(Oh) you're too good to lose	Because
You're too good to lose	Hear my (8) now
You're too good to lose	Just give me (9) and I will be there now
You're too good to lose	(Oh) I say my prayer now
Hey I (3) my phone	Just say the words and I could be there now
It must have fallen out in the street	You're too good to lose
Maybe you called and I didn't pick up	You're too (10) to lose
And if you wondered that's all it means	You're too good to lose
All I touch and all I see	You're too good to lose
I give it up so freely	(Oh) you're too good to lose
Hear my prayer now	You're too good to lose
Just say the (4) and I could be (5)	You're too good to lose
now	
(Oh) I say my prayer now	
Just give me time and I will be there now (oh)
