Shadow by Ashlee Simpson

Fill in the gaps

I was six years old	Living in a nightmare
When my parents went away	A never-ending sleep
I was stuck (1) a broken life	But now that I am wide awake
I couldn't wish away	Then I can finally see
She was beautiful	Don't feel sorry for me-
She had everything and more	Mother, sister, father, sister, mother
And my escape was hiding out and running for the door	Everything's cool now
Somebody (2) please	Mother, sister, father, sister, mother
It used to be so hard being me	Everything's cool now
Living in the shadow	Oh, my life is good
Of someone else's dream	I've got more than anyone should
Trying to find a hand to hold but every touch felt cold to me	Oh, my life is good
Living in a nightmare	And the past in the past
A never-ending sleep	I was (7) in the shadow
But now (3) I am wide awake	Of someone else's dream
But now (3) I am wide awake My chains are finally free	Of someone else's dream Trying to find a hand to hold but every touch felt (8)
My chains are finally free	Trying to find a hand to hold but every touch felt (8)
My chains are finally free Don't (4) sorry for me	Trying to find a hand to hold but every touch felt (8)to me
My chains are finally free Don't (4) sorry for me All the days collided	Trying to find a hand to hold but every touch felt (8)to me I'm living in a new day
My chains are finally free Don't (4) sorry for me All the days collided One less perfect than the next	Trying to find a hand to hold but every touch felt (8) to me I'm living in a new day I'm (9) it for me
My chains are finally free Don't (4) sorry for me All the days collided One less perfect than the next I was (5) inside someone else's life and always	Trying to find a hand to hold but every touch felt (8) to me I'm living in a new day I'm (9) it for me And now that I am wide awake
My chains are finally free Don't (4) sorry for me All the days collided One less perfect than the next I was (5) inside someone else's life and always second best	Trying to find a hand to hold but every touch felt (8) to me I'm living in a new day I'm (9) it for me And now that I am wide awake Then I can finally see
My chains are finally free Don't (4) sorry for me All the days collided One less perfect than the next I was (5) inside someone else's life and always second best Oh, I love you now 'cause now I realize	Trying to find a hand to hold but every touch felt (8) to me I'm living in a new day I'm (9) it for me And now that I am wide awake Then I can finally see Don't feel sorry for me
My chains are finally free Don't (4) sorry for me All the days collided One less perfect than the next I was (5) inside someone else's life and always second best Oh, I love you now 'cause now I realize That it's safe outside to come alive in my identity	to me I'm living in a new day I'm (9) it for me And now that I am wide awake Then I can finally see Don't feel sorry, don't feel sorry for me
My chains are finally free Don't (4) sorry for me All the days collided One less perfect than the next I was (5) inside someone else's life and always second best Oh, I love you now 'cause now I realize That it's safe outside to come alive in my identity So if you're listening	Trying to find a hand to hold but every touch felt (8) to me I'm living in a new day I'm (9) it for me And now that I am wide awake Then I can finally see Don't feel sorry for me Don't feel sorry, don't feel sorry for me Don't feel sorry, don't feel sorry for me
My chains are finally free Don't (4) sorry for me All the days collided One less perfect than the next I was (5) inside someone else's life and always second best Oh, I love you now 'cause now I realize That it's safe outside to come alive in my identity So if you're listening There's so much more to me you haven't seen	Trying to find a hand to hold but every touch felt (8) to me I'm living in a new day I'm (9) it for me And now that I am wide awake Then I can finally see Don't feel sorry for me Don't feel sorry, don't feel sorry for me Don't feel sorry, don't feel sorry for me Living in, living in, living in the shadow

- 1. inside
- 2. listen
- 3. that
- 4. feel
- 5. stuck
- 6. someone
- 7. living
- 8. cold
- 9. living
