Shadow by Ashlee Simpson

Fill in the gaps

I was six years old	Living in a nightmare
When my parents (1) away	A never-ending sleep
I was stuck inside a broken life	But now that I am wide awake
I couldn't wish away	Then I can finally see
She was beautiful	Don't feel sorry for me-
She had everything and more	Mother, sister, father, sister, mother
And my escape was hiding out and running for the door	Everything's cool now
Somebody listen please	Mother, sister, father, sister, mother
It used to be so hard (2) me	Everything's cool now
Living in the shadow	Oh, my life is good
Of someone else's dream	I've got more than anyone should
Trying to find a hand to hold but every touch felt cold to me	Oh, my life is good
Living in a nightmare	And the (8) in the past
A never-ending sleep	I was living in the shadow
But now that I am wide awake	Of someone else's dream
My chains are finally free	Trying to (9) a hand to hold but every touch felt
Don't feel sorry for me	cold to me
All the (3) collided	I'm living in a new day
One less perfect (4) the next	I'm living it for me
I was stuck inside someone else's life and always second best	And now that I am wide awake
Oh, I love you now 'cause now I realize	Then I can finally see
That it's safe outside to (5) alive in my identity	Don't feel sorry for me
So if you're listening	Don't feel sorry, don't feel sorry for me
There's so much more to me you haven't seen	Don't feel sorry, don't feel sorry for me
Living in the shadow	Living in, (10) in, living in the shadow
Of someone else's dream	Living in, living in, living in a new day
Of someone else's dream Trying to (6) a hand to hold but every touch	Living in, living in a new day
