Shadow by Ashlee Simpson

Fill in the gaps

I was six years old	Living in a nightmare
When my parents went away	A never-ending sleep
I was (1) inside a (2) life	But now that I am wide awake
I couldn't wish away	Then I can finally see
She was beautiful	Don't feel sorry for me-
She had everything and more	Mother, sister, father, sister, mother
And my escape was hiding out and running for the door	Everything's cool now
Somebody listen please	Mother, sister, father, sister, mother
It (3) to be so hard being me	Everything's cool now
Living in the shadow	Oh, my life is good
Of someone else's dream	I've got more than anyone should
Trying to find a hand to hold but every (4) felt	Oh, my life is good
cold to me	And the past in the past
Living in a nightmare	I was living in the shadow
A never-ending sleep	Of someone else's dream
But now that I am wide awake	Trying to find a hand to hold but every touch felt cold to me
My chains are finally free	I'm living in a new day
Don't feel sorry for me	I'm living it for me
All the days collided	And now that I am wide awake
One less perfect than the next	Then I can finally see
I was stuck inside (5) else's life and always	Don't feel sorry for me
second best	Don't feel sorry, don't feel sorry for me
Oh, I love you now 'cause now I realize	Don't feel sorry, don't feel sorry for me
That it's (6) outside to come alive in my identity	Living in, living in, (8) in the shadow
So if you're listening	Living in, living in, living in a new day
There's so much more to me you haven't seen	
Living in the shadow	
Of someone else's dream	
Trying to find a hand to (7) but every touch felt cold	
to me
