Met you by surprise		I'll see how a (4) thing can be
I didn't realize		Dreams are my reality
That my life (1) (2)	forever	A wonderous world where I like to be
Saw you standing there		I dream of holding you all night
I didn't know I cared		And holding you seems right
There was something special in the air		Perhaps that's my reality
Dreams are my reality		Met you by surprise
The only kind of real fantasy		I didn't realize
Illusions are a common thing		That my life would change forever
I try to live in dreams		Tell me that it's true
It seems as if it's meant to be		Feelings that I am you
Dreams are my reality		I (5) something special (6) you
A (3) kind of reality		Dreams are my reality
I dream of loving in the night		A wonderous world where I like to be
And loving seems alright		Illusions are a common thing
Although it's only fantasy		I try to live in dreams
If you do exist, honey don't resist		Although it's (7) fantasy
Show me a new way of loving		Dreams are my reality
Tell me that it's true		I like to dream of you (8) to me
Show me what to do		I dream of (9) in the night
