

Fill in the gaps

To a lullaby

Well I know the feeling
Of finding yourself stuck out on the ledge
And there ain't no healing
From cutting yourself with the jagged edge
I'm telling you that
It's never that bad
Take it from someone who's been where you're at
Lay down on the floor
And you're not sure
You can take this anymore
So just give it one more try
To a lullaby
And turn (1) up on the radio
If you can hear me now
I'm reaching out
To let you know that you're not alone
And you can tell
I'm scared as hell
'Cause I can't get you on the telephone
So just close your eyes
Well honey (2) comes a lullaby
Your very own lullaby
Please let me take you
Out of the darkness and (3) the light
'Cause I have faith in you
That you're gonna make it (4) another night
Stop thinking about
The easy way out
There's no need to go and blow the candle out
Because you're not done

You're far too young

And the best is yet to come So just give it one more try

And turn this up on the radio
If you can (5) me now
I'm reaching out
To let you know that you're not alone
And you can tell
I'm scared as hell
'Cause I can't get you on the telephone
So just close your eyes
Well honey here (6) a lullaby
Your very own lullaby
Well everybody's hit the bottom
And everybody's (7) forgotten
When everybody's tired of being alone
Yeah everybody's been abandoned
And left a little empty handed
So if you're out there barely hanging on
Just give it one more try
To a lullaby
And turn this up on the radio
If you can hear me now
I'm (8) out
To let you know that you're not alone
And you can tell
I'm scared as hell
'Cause I can't get you on the telephone
So just close your eyes
Well (9) (10) comes a lullaby
Your very own lullaby
Well honey here comes a lullaby
Your very own lullaby
