

So just give it one more try

## Fill in the gaps

Well I know the feeling	To a lullaby
Of finding yourself (1) out on the ledge	And (17) this up on the radio
And there ain't no healing	If you can hear me now
From cutting yourself (2) the jagged edge	I'm reaching out
I'm telling you that	To let you know (18) you're not alone
It's never that bad	And you can tell
Take it from someone who's been where you're at	I'm scared as hell
Lay down on the floor	'Cause I can't get you on the telephone
And you're not sure	So just close your eyes
You can (3) this anymore	Well (19) here comes a lullaby
So just give it one (4) try	Your very own lullaby
To a lullaby	Well everybody's hit the bottom
And turn this up on the radio	And everybody's been forgotten
If you can (5) me now	When everybody's tired of being alone
I'm reaching out	Yeah everybody's been abandoned
To let you (6) (7) you're not alone	And left a little (20) handed
And you can tell	So if you're out there barely (21) on
I'm (8) as hell	Just give it one more try
Cause I can't get you on the telephone	To a lullaby
So just close your eyes	And turn this up on the radio
Well (9) here (10) a lullaby	If you can (22) me now
Your very own lullaby	I'm reaching out
Please let me (11) you	To let you know that you're not alone
Out of the darkness and into the light	And you can tell
Cause I (12) (13) in you	I'm (23) as hell
That you're gonna (14) it through another night	'Cause I can't get you on the telephone
Stop thinking about	So (24) close your eyes
The easy way out	Well (25) (26) comes a lullaby
There's no (15) to go and blow the	Your very own lullaby
(16) out	Well honey here comes a lullaby
Because you're not done	Your very own lullaby
You're far too young	
And the best is yet to come
