

Fill in the gaps

	Follow if you wanna, won't just hang around
No words	Like you'll (16) me where to go
But (1) won't (2) any room for more,	I'm already out
and it	Of (17) ideas
Don't hurt	So don't ask me how
Like anything I've ever felt before, this is	To get started
No broken heart	It's all uncharted
No familiar scars	Jumpstart my kaleidoscope heart
This (3) goes uncharted	Love to (18) the colors fade
Just me	They may not make sense
In a room (4) (5) in a house in a town,	But (19) sure as (20) (21)
and I	me
Don't breathe	I won't go as a passenger, no
Though I never meant to let it get away (6) me	Waiting for the road to be laid
Now I've	Though I may be (22) down
Too (7) to hold	I'll take in flame
Everybody has to	Over burning out
Get (8) hands on gold	Compare
And I want uncharted	Where you are to where you wanna be
Stuck under the (9) I made	And you'll get
I can't (10) but feeling	Nowhere
I'm going down	I'm going down
Follow if you wanna	Follow if you wanna, won't just hang around
Won't (11) hang around	Like you'll show me where to go
Like you'll show me where to go	I'm already out
I'm (12) out	Of foolproof ideas
Of foolproof ideas	So don't ask me how
So don't ask me how	To get started, oh
To get started	I'm going down
It's all uncharted	Follow if you wanna
	Won't just hang around
Each day	Like you'll (23) me (24) to go
I'm (13) up the minutes 'till I get alone	I'm already out
'Cause I can't stay	Of (25) ideas
In the middle of it all	So don't ask me how
It's nobody's fault but I'm	To get started
So low	It's all uncharted
Never knew how much I didn't know	
Oh, everything is uncharted	
I know I'm (14) nowhere	
When I only sit and stare, like	
l'm (15) down
