

I'm going down

Fill in the gaps

	Follow if you wanna, won't (6) (7)
No words	around
But tears won't make any room for more, and it	Like you'll show me where to go
Don't hurt	I'm already out
Like (1) I've ever felt before, this is	Of foolproof ideas
No broken heart	So don't ask me how
No familiar scars	To get started
This territory goes uncharted	It's all uncharted
Just me	Jumpstart my kaleidoscope heart
In a room sunk down in a house in a town, and I	Love to watch the colors fade
Don't breathe	They may not make sense
Though I never meant to let it get away (2) me	But they sure as (8) made me
Now I've	I won't go as a passenger, no
Too much to hold	Waiting for the road to be laid
Everybody has to	Though I may be going down
Get their hands on gold	I'll take in flame
And I (3) uncharted	Over burning out
Stuck under the ceiling I made	Compare
I can't help but feeling	Where you are to where you wanna be
I'm going down	And you'll get
Follow if you wanna	Nowhere
Won't just hang around	I'm (9) down
Like you'll show me where to go	Follow if you wanna, won't just hang around
I'm already out	Like you'll show me where to go
Of foolproof ideas	I'm already out
So don't ask me how	Of foolproof ideas
To get started	So don't ask me how
It's all uncharted	To get started, oh
	I'm going down
Each day	Follow if you wanna
I'm (4) up the minutes 'till I get alone	Won't (10) hang around
'Cause I can't stay	Like you'll show me where to go
In the middle of it all	I'm already out
It's nobody's (5) but I'm	Of foolproof ideas
So low	So don't ask me how
Never knew how much I didn't know	To get started
Oh, everything is uncharted	It's all uncharted
I know I'm getting nowhere	
When I only sit and stare, like	

- 1. anything
- 2. from
- 3. want
- 4. counting
- 5. fault
- 6. just
- 7. hang
- 8. hell
- 9. going
- 10. just
