

Burning the flag

Fill in the gaps

(1, 2, 3, 4)	(Of the degeneration)
Well I won't be caught living in a dead-end job	Everyone sing
Or praying to a government guns and gods	(The anthem of no future)
And now it's us against them	Down with the mass
We're here to represent	('Cause we're not listening)
And spit right in the face of the establishment	Well because we're doing fine
And now I don't believe	And we don't need to be told
(In (1) faith in nothing)	That we're doing fine
Stand on my own	'Cause we won't give you control
(And got no sympathy)	And we don't need anything from you
Wasting (2) youth	'Cause we'll be just fine
(While feeling young and useless)	And we won't be bought and sold
Speak for yourself	Just like you
(And don't (3) for me)	May I have your attention, please?
Well because we're doing fine	I (6) allegiance to the underclass
And we don't need to be told	As your hero at large!
That we're doing fine	(1, 2, 3, 4)
'Cause we won't give you control	We're the saints of degeneration
And we don't need anything (4) you	We don't owe anyone an explanation
'Cause we'll be just fine	*** elitists, we don't need this
And we won't be bought and sold	We're the elite of just alright
Just like you	And well (7) we're doing fine
(A call across the underclass)	And we don't need to be told
Calling out loud with no respect	That we're doing fine
I'm not the one, just another reject	'Cause we won't give you control
I'm the voice to offend	And we don't (8) (9) from you
All those who pretend	'Cause we'll be just fine
Unsung (5) the grain I'm here to rise	And we won't be bought and sold
against	Just like you
And now I'm desensitized
