

Fill in the gaps

(1, 2, 3, 4)	(Of the degeneration)	
Well I won't be caught living in a dead-end job	Everyone sing	
Or (1) to a government guns and gods	(The (13) of no future)	
And now it's us against them	Down with the mass	
We're here to represent	('Cause we're not listening)	
And spit (2) in the face of the establishment	Well because we're doing fine	
And now I don't believe	And we don't need to be told	
(In having (3) in nothing)	That we're doing fine	
Stand on my own	'Cause we won't give you control	
(And got no sympathy)	And we don't (14) anything from you	
Wasting your youth	'Cause we'll be (15) fine	
(While feeling young and useless)	And we won't be bought and sold	
Speak for yourself	Just like you	
(And don't (4) for me)	May I have your attention, please?	
Well (5) we're (6) fine	I (16) to the	ıе
And we don't need to be told	underclass	
That we're (7) fine	As (18) hero at large!	
Cause we won't give you control	(1, 2, 3, 4)	
And we don't need anything from you	We're the saints of degeneration	
Cause we'll be (8) fine	We don't owe anyone an explanation	
And we won't be bought and sold	*** elitists, we don't need this	
Just like you	We're the (19) of just alright	
(A (9) across the underclass)	And well because we're doing fine	
Calling out loud with no respect	And we don't need to be told	
'm not the one, just (10) reject	That we're (20) fine	
'm the voice to offend	'Cause we won't give you control	
All those who pretend	And we don't (21) (22)	
Unsung against the (11) I'm here to	(23) you	
(12) against	'Cause we'll be (24) fine	
And now I'm desensitized	And we won't be bought and sold	
(I state my place in nowhere)	Just like you
