

Fill in the gaps

What's the (1)	of never knowing at	There's nothing to explain	
all?		No matter what you say	
When every step I take is (2)	too small	Nothing's (10) (11)	my mind
Maybe it's just something I can't admit		Can't depend on doubt (12)t	he end
But lately, I feel like I don't give a ***		It seems like (13) friends has become	
Motivation such an aggravation		This years trend and though I can't pretend	
Accusations don't (3) how to take them		A friend would be this way	
Inspiration's getting hard to fake it		It's not the same but who's to blame	
Concentration's (4) hard to break it		For all those stupid things I never said	
Situation (5) what you want it to be		Motivation (14) an aggravation	
What's the (6) of never ma	aking mistakes?	Accusations don't (15) how to to	ake them
Self-indulgence is such a hard habit to break		Inspiration's (16) hard to	o (17) it
It's all just a waste of time in the end		Concentration's never hard to break it	
Don't care, so why should I even pretend		Motivation (18) an aggravation	
Motivation (7) an aggravation		Accusations don't (19) how to (20)	
Accusations don't (8) how to take them		them	
Inspiration's getting hard to fake it		Inspiration's (21) hard to	o fake it
Concentration's never hard to break it		Concentration	
Situation (9) what you war	nt it	Situation (22) what you want	it to be
Nothing's new, everything's the same		Never (23) you want it to be	
Keeps on dragging me down		Never what you (24) it to be	
It's getting kind of lame			
Falling further behind
