

## Fill in the gaps

The faster we're falling	Up (13) in my head
We're stopping and stalling	Instead of going under
We're running in circles again	Instead of (14) under
Just as things we're (1) up	(Instead of going under)
You said it wasn't good enough	Instead of (15) under
But (2) we're (3) one	I can't sit back and (16) why
(4) time	It took so (17) for (18) to die
Maybe we're just (5) to hard	And I hate it when you fake it
When really it's closer than it is too far	You can't (19) it you might as (20)
Cause I'm in too deep	embrace it
And I'm (6) to keep	So believe me it's not easy
Up above in my head	It seems that something's (21) me
Instead of going under	I'm in too deep
Cause I'm in too deep	And I'm trying to keep
And I'm trying to keep	Up (22) in my head
Up (7) in my head	Instead of going under
Instead of going under	Cause I'm in too deep
Instead of going under	And I'm trying to keep
Seems like each time	Up above in my head
I'm with you I loose my mind	Instead of (23) under
Because I'm bending (8) backwards to relate	Cause I'm in too deep
It's one thing to complain	And I'm trying to keep
But when you're driving me insane	Up above in my head
Well then I think it's time (9) we (10) a	Instead of going under
break	Instead of going under
Maybe we're just trying to hard	Instead of (24) (25) again
When (11) it's closer than it is too far	Instead of going under
Cause I'm in too deep	Instead of going under again
And I'm (12) to keep	Instead of going under (again)
Up above in my head	
Instead of going under	
Cause I'm in too deep	
And I'm trying to keep
