

Fill in the gaps

The faster we're falling	Up above in my head
We're stopping and stalling	Instead of going under
We're (1) in circles again	Instead of going under
Just as things we're looking up	(Instead of going under)
You said it wasn't good enough	Instead of going under
But still we're trying one (2) time	I can't sit back and (7) why
Maybe we're just trying to hard	It took so long for this to die
When (3) it's closer than it is too far	And I hate it when you fake it
Cause I'm in too deep	You can't (8) it you might as well embrace it
And I'm trying to keep	So believe me it's not easy
Up above in my head	It seems that something's telling me
Instead of (4) under	I'm in too deep
Cause I'm in too deep	And I'm (9) to keep
And I'm trying to keep	Up above in my head
Up above in my head	Instead of (10) under
Instead of going under	Cause I'm in too deep
Instead of going under	And I'm trying to keep
Seems like each time	Up above in my head
I'm with you I loose my mind	Instead of going under
Because I'm bending over backwards to relate	Cause I'm in too deep
It's one thing to complain	And I'm trying to keep
But when you're driving me insane	Up above in my head
Well (5) I think it's time that we took a break	Instead of going under
Maybe we're just (6) to hard	Instead of going under
When really it's closer than it is too far	Instead of going under again
Cause I'm in too deep	Instead of going under
And I'm trying to keep	Instead of going under again
Up above in my head	Instead of going under (again)
Instead of going under	
Cause I'm in too deep	
And I'm trying to keep
