

Suddenly, suddenly

Fill in the gaps

	I don't feel so insecure
Everybody's got their problems	Anymore
Everybody says the same things to you	Everybody's got their problems
It's (1) a matter how you solve them	Everybody says the same things to you
And knowing how to change the things	It's just a matter how you solve them
You've (2) through	But (5) else are we supposed to do
I feel I've come to realize	Part of me, won't agree
How fast life can be compromised	Cause I don't (6) if it's for sure
Step back to see what's going on	Suddenly, suddenly
I can't beleive this happened to you	I don't feel so insecure
This happened to you	Part of me, won't agree
It's just a (3) (4) I'm faced with	Cause I don't know if it's for sure
am I	Suddenly, suddenly
Not the only one who hates to stand by	I don't feel so insecure
Complications that are first in this line	Anymore
With all these pictures running through my mind	Why do (7) that matter the most
Knowing endless consequences	Never end up being what we chose
I feel so useless in this	Now that I find no way so bad
Get back, step back, and as for me	I don't (8) I (9) what I had
I can't believe	Why do things that matter the most
Part of me, won't agree	Never end up being what we chose
Cause I don't know if it's for sure	Now that I find no way so bad
Suddenly, suddenly	I don't think I knew what I had
I don't feel so insecure	
Part of me, won't agree	
Cause I don't know if it's for sure
