

## Fill in the gaps

	I don't feel so insecure
Everybody's got their problems	Anymore
Everybody says the same things to you	Everybody's got their problems
It's just a matter how you solve them	Everybody says the same things to you
And (1) how to change the things	It's (7) a matter how you solve them
You've been through	But what else are we (8) to do
I feel I've come to realize	Part of me, won't agree
How fast life can be compromised	Cause I don't know if it's for sure
Step back to see what's going on	Suddenly, suddenly
I can't beleive (2) happened to you	I don't feel so insecure
This happened to you	Part of me, won't agree
It's just a problem that I'm (3) with am I	Cause I don't know if it's for sure
Not the only one who hates to stand by	Suddenly, suddenly
Complications that are first in (4) line	I don't feel so insecure
With all these (5) running through my	Anymore
mind	Why do (9) that matter the most
Knowing endless consequences	Never end up being what we chose
I feel so useless in this	Now that I find no way so bad
Get back, step back, and as for me	I don't think I knew what I had
I can't believe	Why do (10) that matter the most
Part of me, won't agree	Never end up being what we chose
Cause I don't (6) if it's for sure	Now that I find no way so bad
Suddenly, suddenly	I don't think I knew what I had
I don't feel so insecure	
Part of me, won't agree	
Cause I don't know if it's for sure	
Suddenly, suddenly
