

## Fill in the gaps

	And back down
Storming through the party	Don't count on me
Like my name was El Niño	To let you know when
When I'm hanging out drinking	Don't count on me
In the back of an El Camino	I'll do it again
As a kid	Don't count on me
Was a skid	It's the point you're missing
And no one knew me by name	Don't count on me
Trashed my own house party	'Cause I'm not listening
'Cause nobody came	Well I'm a
I know I'm not the one	No good nick lower middle class brat
You thought you knew (1) in high school	(Backpacked)
Never going, never (2) up when we had to	And I don't give
Attention that we crave, don't tell us to behave	About nothing
I'm sick of always hearing "act your age"	You be (6) on the corner
I don't wanna waste my time	Talking all that kufuffin
Become another casualty of society	Well you don't make sense
I'll never fall in line	From all the gas you
Become another (3) of your conformity	'Cause if the egg don't stain
And back down	You'll be ringing off the hook
Because you don't	You're on the hit list
Know us at all	Wanted in the telephone book
We laugh when old people fall	I (7) songs with distortion
But what would you expect	To drink in proportion
With a (4) so small?	The dentist said my mom
Heavy metal and mullets	Should've had an abortion
It's how we were raised	
Maiden and Priest	I don't wanna (8) my time
Were the gods that we praised	Become another casualty of society
'Cause we like (5) fun	I'll never fall in line
At other people's expense and	Become another victim of your conformity
Cutting people down is just a minor offense then	And back down
It's none of your concern	(Waste my time with them) casualty of society
I guess I'll never learn	(Waste my time with them)
I'm sick of being told to wait my turn	Victim of your conformity
I don't wanna waste my time	And back down
Become another casualty of society	
I'll never fall in line	
Become another victim of your conformity
