With the life held in your	Move along, (14) along like I (15) you
Hands are shaking cold	do
These hands are meant to hold	And even when your hope is gone
Speak to me	Move along, move along just to (16) it through
When all you got to keep is strong	When all you got to (17) is strong
Move along, move along like I know you do	Move along, move (18) (19) I know
And even when your (2) is gone	you do
Move along, move along (3) to make it through	And even when (20) hope is gone
Move along	Move along, move along (21) to make it through
