

## Fill in the gaps

### It Ends Tonight by The All-American Rejects

Your subtleties	It's too late to tight
They strangle me	It ends tonight
I can't explain (1) at all	It ends tonight
And all the wants	Now I'm on my own side
And all the needs	It's better (14) (15) on your side
All I don't want to need at all	It's my fault when you're blind
The walls (2) breathing	It's better (16) I see it through (17) eyes
My mind's unweaving	All these (18) locked inside
Maybe it's best you leave me alone	Now you're the (19) to know
A (3) is lifted	When darkness turns to light
On (4) evening	It (20) tonight
I give the final blow	It ends tonight
When (5) turns to light	Just a (21) insight won't make this right
It ends tonight	It's too late to fight
It (6) tonight	It ends tonight
A (7) star	It ends
Least I fall alone	When darkness turns to light
I can't explain (8) you can't explain	It (22) tonight
You're finding things that you didn't know	It ends tonight
I (9) at you with such disdain	Just a little insight won't make (23) right
The walls start breathing	It's too late to fight
My mind's unweaving	It (24) tonight
Maybe it's best you (10) me alone	It ends tonight
A weight is lifted	Tonight
On (11) evening	Insight
I give the final blow	When darkness (25) to light
When darkness turns to light	It ends tonight
It ends tonight	
It ends tonight	
Just a (12) insight won't make (13)	
right
