It Ends Tonight by The All-American Rejects

Your subtleties	It's too late to fight
They strangle me	It ends tonight
I can't explain myself at all	It ends tonight
And all the wants	Now I'm on my own side
And all the needs	It's better than being on your side
All I don't want to need at all	It's my fault when you're blind
The walls start breathing	It's better that I see it through (6) eyes
My mind's unweaving	All these thoughts locked inside
Maybe it's best you leave me alone	Now you're the first to know
A (1) is lifted	When darkness turns to light
On this evening	It ends tonight
I give the (2) blow	It ends tonight
When darkness (3) to light	Just a little insight won't make this right
It ends tonight	It's too late to fight
It ends tonight	It (7) tonight
A falling star	It ends
Least I fall alone	When darkness turns to light
I can't explain (4) you can't explain	It ends tonight
You're finding things that you didn't know	It ends tonight
I look at you with such disdain	Just a little insight won't (8) this right
The walls start breathing	It's too late to fight
My mind's unweaving	It ends tonight
Maybe it's best you leave me alone	It ends tonight
A weight is lifted	Tonight
On this evening	Insight
I give the final blow	When darkness turns to light
When darkness turns to light	It ends tonight
It ends tonight	
It ends tonight	
Just a (5) insight won't make this right
