

I swear to god

## Fill in the gaps

	That in the bitter end
need you	We're gonna be the last (5) standing
Right here, by my side	We'll never Fall
You're everything	We'll never fade
'm not in my life	I'll promise you forever
We're indestructable	And my soul today
We are untouchable	No (6) what
Nothing can (1) us down tonight	Until in the bitter end
You are so beautiful	We're gonna be
t should be criminal	The last ones standing
That you colud be mine	And (7) said
And we will make it out alive	That we would never last
'll promise you	And if they saw us now
This love will never die	I bet they'd take it back
No matter what	It doesn't matter
got your back	What we do or what we say
'll (2) a bullet for you	'Cause nothing matters anyway!
f it (3) to that	No matter what
swear to god	I got your back
That in the bitter end	I'll take a bullet for you
We're gonna be the last ones standing	If it comes to that
So believe me	I swear to god
When I say	That in the (8) end
You're the one	We're gonna be
They'll (4) forgive us	The (9) one standing
For the things, we've done	We'll never fall
And we will make it out alive	We'll never fade
'Il promise you	No (10) what
This love will never die	Until the bitter end
No matter what	We're gonna be
got your back	The last ones standing
'll take a bullet for you	
f it comes to that
