The Sweet Escape by Gwen Stefani & Akon

(Woo-who, yee-who)	Want to take you with me
(Woo-who, yee-who)	If I could escape (escape)
(Woo-who, yee-who)	And re-create a place as my own (5) (own
(Woo-who, yee-who)	world)
If I could escape	And I (6) be your favorite girl
I would, but first of all let me say	Forever, perfectly together
I must apologize for acting, stinking	Tell me boy, now wouldn't that be (7) (sweet)?
Treating you this way	If I could be sweet (be sweet)
Cause I've been acting like sour milk fell on the floor	I know I've been a real bad girl
It's your fault you didn't shut the refridgerator	I didn't mean for you to get hurt
Maybe that's the reason I've been acting so cold	Forever, we can make it better
If I (1) escape (escape)	Tell me boy, now wouldn't that be sweet?
And re-create a place as my own world (own world)	Sweet escape, sweet escape
And I could be your favorite girl	(Woo-who, yee-who)
Forever, perfectly together	(Woo-who, yee-who)
Tell me boy, now wouldn't that be sweet (sweet)?	If I could escape
If I could be sweet (be sweet)	(Woo-who, yee-who)
I (2) I've been a real bad girl	If I could escape
I didn't mean for you to get hurt	(Woo-who, yee-who)
Forever, we can make it better	Cause I've been acting (8) sour milk fell on the
Tell me boy, now wouldn't that be sweet?	floor
Sweet escape (sweet escape)	It's your fault you didn't shut the refridgerator
(Woo-who, yee-who)	Maybe that's the reason I've been acting so cold
I wanna get away, get away	If I could (9) (escape)
To our sweet escape, (3) escape	And re-create a place in my own world (own world)
(Woo-who, yee-who)	And I could be your favorite girl
I wanna get away, get away	Forever, perfectly together
Yeah (Woo-who, yee-who)	Tell me boy, now wouldn't that be sweet (sweet)?
You let me down	If I (10) be sweet (be sweet)
I'm at my lowest boiling point	I know I've been a real bad girl
Come help me out	I didn't mean for you to get hurt
I need to get me out of this joint	Forever, we can make it better
Come on, let's bounce	Tell me boy, now wouldn't that be sweet?
Counting on you to turn me around	Sweet escape, sweet escape
Instead of clowning around	(Woo-who, yee-who)
For some common ground	I wanna get away, get away
So baby, times getting a little crazy	To our sweet escape, sweet escape
I've been (4) a little lazy	(Woo-who, yee-who)
Waiting for you to come save me	I wanna get away, get away
I can see that you're angry	Yeah
By the way the you treat me	(Woo-who, yee-who)
Hopefully you don't leave me
