Fill in the gaps

If Tomorrow Never Comes by Ronan Keating

Sometimes late at night	That my true feelings for them
I lie awake and watch her sleeping	Never were revealed
She's lost in peaceful dreams	So I made a promise to myself
So I turn out the lights	To say each day how much she means to me
And lay there in the dark	And avoid that circumstance
And the thought crosses my mind	Where there's no second chance
If I never wake up in the morning	To tell her how I feel
Would she ever doubt	If tomorrow (7) comes
The way I feel about her in my heart	Will she know how much I (8) he
If tomorrow never comes	Did I try in every way
Will she (1) how much I loved her	To show her every day
Did I try in every way	That she's my only one
To show her every day	And if my time on earth were through
That she's my only one	And she must face this world without me
And if my time on earth were through	Is the love I gave her in the past
And she (2) face this world (3)	Gonna be enough to last
me	If tomorrow never comes
Is the love I gave her in the past	So (9) that someone that you love
Gonna be enough to last	Just what you're thinking of
If tomorrow (4) comes	If (10) never comes
'Cause I've lost loved ones in my life	
Who never knew how much I (5) them	
Now I (6) with the regret
