Fill in the gaps

Just My Imagination by The Cranberries

There was a (1) we used to play	It was
We would hit the town on Friday night	There is a game I like to play
And stay in bed until Sunday	I like to hit the town on Friday night
We used to be so free	And stay in bed (7) Sunday
We were (2) for the love we had and	We'll always be this free
Living not for reality	We (8) be living for the love we have
Just my imagination	Living not for reality
Just my imagination	It's not my imagination
Just my imagination	It's not my imagination
It was	It's not my imagination
Just my imagination	It was
Just my imagination	Not my imagination
Just my imagination	It's not my imagination
It was	Not my imagination
There was a time I used to pray	It was
I have (3) my faith in love	Not my (Not My)
It's the greatest thing from the man above	
The game I (5) to play	(Laaaa aaaa)
I've (6) put my cards upon the table	My imagination
Let it never be said that I'd be unstable	My imagination
Just my imagination	My imagination
Just my imagination	My imagination
Just my imagination	My imagination
It was	My imagination
Just my imagination	
Just my imagination
