## Just My Imagination by The Cranberries

There was a game we used to play	It was	
We (1) hit the town on (2) night	There is a game I like to play	
And stay in bed (3) Sunday	I like to hit the town on (8)	night
We used to be so free	And stay in bed until Sunday	
We were living for the love we had and	We'll always be this free	
Living not for reality	We will be living for the (9)	_ we have
Just my imagination	Living not for reality	
Just my imagination	It's not my imagination	
Just my imagination	It's not my imagination	
It was	It's not my imagination	
Just my imagination	It was	
Just my imagination	Not my imagination	
Just my imagination	It's not my imagination	
It was	Not my imagination	
There was a time I used to pray	It was	
I (4) always kept my faith in love	Not my (Not My)	
It's the (5) (6) from the		
man above	(Laaaa aaaa)	
The game I used to play	My imagination	
I've always put my cards upon the table	My imagination	
Let it never be (7) that I'd be unstable	My imagination	
Just my imagination	My imagination	
Just my imagination	My imagination	
Just my imagination	My imagination	
It was		
Just my imagination
