

In my life I've found only time will tell

And I will figure out that we can baby

## Free Loop (One Night Stand) by Daniel Powter

im a little used to calling outside your name	we can do a one night stand (yean)
I won't see you (1) so I can keep from	And it's hard for me to lose in my life
going insane	I've found (6) your skin right near the fire
But I don't know enough	That we can baby
l get some kinda lazy day (hey, yeah)	We can change and feel alright
I've been fabulous through to fight my town a name	'Cause it's hard for me to lose
I'll be stooped tomorrow	In my life I've found only time (7) tell
If I don't leave as them both the same	I will figure out that we can baby
But I don't know enough	We can do a one night stand (yeah)
I get some kinda lazy day (hey, yeah)	And it's hard for me to lose in my life
'Cause it's hard for me to lose	I've (8) outside your skin right near the fire
In my life I've (2) (3) time will tell	That we can baby
And I will figure out (4) we can baby	We can change and feel alright
We can do a one night stand (yeah)	'Cause it's hard for me to lose
And it's hard for me to lose in my life	In my life I've found (9) time will tell
I've found outside (5) skin right near the fire	And I will figure out that we can baby
That we can baby	We can do a one night stand (yeah)
We can change and feel alright	(And it's (10) for me to lose in my life)
I'm a little used to wandering outside the rain	(I've found outside your skin right near the fire)
You can leave me tomorrow if it suits you just the same	(That we can baby)
But I don't know enough	(We can change and feel alright)
I need someone who leaves the day (hey yeah)	
Cause it's hard for me to lose
