

Fill in the gaps

I'm sitting in a room	Because this road is all you'll (16) have
Made up of only big (1) walls and in the halls	And it's obvious that you're dying, dying
There are people (2) through	Just living proof (17) the camera's lying
The window in the (3) and (4) know	And oh-oh-open wide, 'cause this is your night
exactly	So smile
What we're here for	Yeah, yeah you're asking for it
Don't look up just let (5) think	With every (18) (19) you
There's no (6) else you'd rather be	(20) in
You're always on display	Just breathe it in
For everyone to watch	Yeah, yeah (21) you're (22) a mess
And learn (7) don't you know by now	You do all this big talking
You can't turn back	So now let's see you walk it
Because this (8) is all you'll ever have	I said let's see you walk it
And it's obvious (9) your dying, dying	Yeah, yeah well you're just a mess
Just living proof that the camera's lying	You do all this big talking
And oh-oh-open wide, 'cause (10) is your night	So now let's see you walk it
So smile, 'cause you'll go out in style	I said let's see you (23) it
You'll go out in style	And it's obvious (24) you're dying, dying
If you let me I could	Just (25) (26) that the camera's
I'd show you how to (11) your fences	lying
Set restrictions, separate from the world	And oh-oh-open wide
The constant battle that you hate to fight	Yeah, oh-oh-open wide
Just blame the limelight	Yeah, oh-oh-open wide
Don't look up (12) let (13) think	Cause you'll go out in style
There's no place (14) you'd (15)	You'll go out in style
be	
And now you can't turn back
