

## Fill in the gaps

Every time you (1) (2) voice	The (17) way we'll feel better
I see the greener grass	The (18) way out is through
Every time you run for cover	Ultimately
I see this pasture	We (19) just walk away and
Every time we're in a funk	Hide our heads in the sand
I picture a different choice	We could just call it quits
Anytime we're in a rut	Only to start all over again
This distant grandeur	With somebody else
My tendency to (3) to do away	Every (20) we're stuck in struggle
Feels natural and	I'm (21) for the count that day
My urgency to dream of (4) places	Every time I dream of quick fix
Feels understandable	I'm assuaged
The (5) way out is through	Now I (22) it's hard when it's through
The faster we're in the better	And I'm damned if I don't know (23) fix way
The only way out is through	But formerly mistreat me silence now outdated
Ultimately	My tendency to want to run feels unnatural now
The only way out is through	The urgency to (24) to give to you
The only way we'll feel better	I don't want most feels good
The (6) way out is through	The only way out is through
Ultimately	The (25) we're in the better
Every time I'm confused	The only way out is through
I (7) there (8) be easier ways	Ultimately
Every time our (9) are locked	The only way out is through
I'm towel throwing	The only way we'll feel better
Every time we're at a loss	The only way out is through
We've bolted from difficulty	Ultimately
Anytime we're in stalemate of (10) bowing	The only way out is through
My (11) to want to (12) away	The (26) we're in the better
Feels easier and	The only way out is through
The immediacy is (13)	Ultimately
(14) place	The only way out is through
Comforting to go	The only way we'll get better
The only way out is through	The only way out is through
The (15) we're in the better	Ultimately
The (16) way out is through	
Ultimately	
The only way out is through
