Out Is Through by Alanis Morissette

Fill in the gaps

Every time you raise (1) voice	The only way we'll feel better
I see the (2) grass	The only way out is through
Every time you run for cover	Ultimately
I see this pasture	We could just walk away and
Every time we're in a funk	Hide our heads in the sand
I picture a different choice	We could just call it quits
Anytime we're in a rut	Only to start all (7) again
This (3) grandeur	With somebody else
My tendency to want to do away	Every time we're stuck in struggle
Feels (4) and	I'm down for the count that day
My urgency to dream of softer places	Every time I dream of quick fix
Feels understandable	I'm assuaged
The only way out is through	Now I (8) it's hard when it's through
The faster we're in the better	And I'm damned if I don't know quick fix way
The only way out is through	But formerly mistreat me silence now outdated
Ultimately	My tendency to want to run feels unnatural now
The only way out is through	The urgency to want to give to you
The only way we'll feel better	I don't want most feels good
The only way out is through	The only way out is through
Ultimately	The (9) we're in the better
Every time I'm confused	The only way out is through
I think there must be (5) ways	Ultimately
Every time our horns are locked	The only way out is through
I'm towel throwing	The (10) way we'll feel better
Every (6) we're at a loss	The only way out is through
We've bolted from difficulty	Ultimately
Anytime we're in stalemate of final bowing	The only way out is through
My tendency to want to hide away	The faster we're in the better
Feels easier and	The only way out is through
The immediacy is picturing another place	Ultimately
Comforting to go	The only way out is through
The only way out is through	The only way we'll get better
The faster we're in the better	The only way out is through
The only way out is through	Ultimately
Ultimately	
The only way out is through
