

Fill in the gaps

My (1) life waiting for the (2) time	'Cause all my life I felt this way
And to tell you how I feel	But I could (18) find the words to say
I (3) I try to tell you (4) I need you	Stay, stay
And (5) I am without you	So you (19) mind
I feel so (6) but what can I do?	And say you're mine
'Cause I know this (7) seems real	Don't (21) tonight
But I don't (8) how to feel	Stay
We say goodbye in the (9) rain	Say (22) in the (23) rain
And I break (10) as you walk away	And I (24) down as you walk away
Stay, stay	Stay, stay
'Cause all my life, I felt this way	'Cause all my (25) I felt this way
But I could never (11) the words to say	But I could never find the words to say
Stay, stay	Stay, stay
Alright, everything is alright	Stay with me
Since you (12) along	Stay with me
And before you	Stay with me
I had (13) to run to	Stay with me
And nothing to hold on to	Stay
I came so (14) to giving it up	Stay
And I (15) if you know	Stay
How it feels to let you go?	Stay (26) me
You say goodbye in the pouring rain	
And I break (16) as you (17) away
