Somebody That I Used To Know by Gotye & Kimbra

Now and then I think of when we were together	But I don't wanna live that way
Like when you (1) you (2) so happy you	Reading into every word you say
(3) die	You said that you could let it go
Told myself that you were right for me	And I wouldn't catch you hung up
But felt so lonely in your company	On somebody (7) you used to know
But that was love and it's an ache I still remember	But you didn't have to cut me off
You can get addicted to a certain kind of sadness	Make out (8) it never happened
Like resignation to the end, always the end	And that we were nothing
So when we found that we could not make sense	And I don't even need your love
Well, you said that we would still be friends	But you treat me (9) a stranger
But I'll admit that I was glad that it was over	And that feels so rough
But you didn't have to cut me off	You didn't have to stoop so low
Make out like it never happened	Have your friends collect your records
And that we were nothing	And then change your number
And I don't even need your love	I guess that I don't (10) that though
But you treat me like a stranger	Now you're just somebody that I used to know
And that feels so rough	Somebody, I used to know
You didn't have to stoop so low	Somebody, now you're just somebody that I used to know
Have (4) friends collect your records	Somebody, I used to know
And then change your number	Somebody, now you're just somebody that I used to know
I guess that I don't need that though	I used to know
Now you're just somebody that I used to know	That I used to know
Now you're just (5) that I used to know	I used to know, somebody
Now you're just somebody that I used to know	
Now and then I think of all the times you (6)	
me over	
But had me believing it was always something that I'd done
