Somebody That I Used To Know by Gotye & Kimbra

Now and then I think of when we were together	But I don't (19) live that way
Like (1) you said you felt so happy you	Reading (20) every word you say
(2) die	You said that you could let it go
Told myself that you were right for me	And I wouldn't catch you hung up
But felt so lonely in (3) company	On somebody that you used to know
But that was love and it's an ache I still remember	But you didn't have to cut me off
You can get addicted to a certain kind of sadness	Make out like it never happened
Like resignation to the end, always the end	And that we were nothing
So (4) we found that we could not make sense	And I don't even need your love
Well, you (5) that we (6) still be	But you treat me like a stranger
friends	And that (21) so rough
But I'll admit that I was glad (7) it was over	You didn't have to stoop so low
But you didn't (8) to cut me off	Have your (22) your
Make out (9) it never happened	records
And (10) we were nothing	And then change your number
And I don't even (11) your love	I (24) that I don't need that though
But you treat me (12) a stranger	Now you're just somebody that I used to know
And that (13) so rough	Somebody, I (25) to know
You didn't have to (14) so low	Somebody, now you're (26) somebody that I used
Have (15) friends collect your records	to know
And then change your number	Somebody, I (27) to know
I guess that I don't need that though	Somebody, now you're just somebody that I used to know
Now you're just somebody that I used to know	I used to know
Now you're just somebody that I used to know	That I (28) to know
Now you're (16) somebody that I used to know	I used to know, somebody
Now and (17) I think of all the times you	
(18) me over
