

## Fill in the gaps

### Somebody That I Used To Know by Gotye & Kimbra

Now and (1)\_\_\_\_\_ I think of (2)\_\_\_\_\_ we were together

Like when you said you felt so happy you could die

Told myself that you were right for me

But felt so (3)\_\_\_\_\_ in your company

But that was love and it's an ache I still remember

You can get addicted to a certain kind of sadness

Like (4)\_\_\_\_\_ to the end, always the end

So when we found that we could not make sense

Well, you said that we would still be friends

But I'll admit that I was glad that it was over

But you didn't have to cut me off

Make out like it never happened

And that we were nothing

And I don't even need your love

But you treat me like a stranger

And that feels so rough

You didn't have to stoop so low

Have (5)\_\_\_\_\_ friends collect your records

And then change your number

I guess that I don't need that though

Now you're just somebody that I used to know

Now you're just somebody that I used to know

Now you're (6)\_\_\_\_\_ somebody that I used to know

Now and then I think of all the (7)\_\_\_\_\_ you screwed

me over

But had me believing it was always something that I'd done

But I don't wanna live that way

Reading into every word you say

You said that you could let it go

And I wouldn't catch you hung up

On somebody that you used to know

But you didn't (8)\_\_\_\_\_ to cut me off

Make out like it never happened

And that we were nothing

And I don't even need your love

But you treat me like a stranger

And that feels so rough

You didn't have to stoop so low

Have your friends collect your records

And then change your number

I (9)\_\_\_\_\_ that I don't need that though

Now you're just somebody that I used to know

Somebody, I used to know

Somebody, now you're just somebody that I used to know

Somebody, I used to know

Somebody, now you're just (10)\_\_\_\_\_ that I

used to know

I used to know

That I used to know

I used to know, somebody

Answer

1. then
2. when
3. lonely
4. resignation
5. your
6. just
7. times
8. have
9. guess
10. somebody
