

## Fill in the gaps

It's been a long time since I came around	Something, something about my cool Nebraska guy
Been a long (1) but I'm back in town	Yeah, something about baby you and I
And (2) time I'm not leaving without you	You and I, you, you and I
You taste like whiskey when you kiss me awe	You, you and I, you, you and I
I'd give anything again to be your babydoll	You and I, you you and I
This (3) I'm not leaving without you	Oh yeah! I'd rather die, without you and I
He said, sit back down where you belong	(C'mon)
In the corner of my bar with your high heels on	Put your drinks up
Sit back down on the (4) were we	We gotta whole lotta money but we still pay rent
Made love the first time	'Cause you can't buy a house in heaven
And you said to me	There's only three men that ima serve
There's (something)	My whole life
Something, something about this place (something)	It's my daddy and Nebraska and Jesus Christ
Something about lonely nights	There's (something)
And my lipstick on your face (something)	Something, something about the chase
Something, something about my cool Nebraska guy	Six whole years (something)
Yeah, something about baby you and I	I'm a New York woman born to run you down
It's been two years since I let you go	So have my lipstick all over (8) face
I couldn't listen to a joke or (5) 'n' roll	(Something)
And muscle cars drove a truck right through my heart	Something about (9) knowing when it's right
On my birthday you sang me "Heart of Gold"	So put your drinks up for Nebraska
With a guitar humming and no clothes	For Nebraska, (10) I love you
This time I'm not leaving without you (oh oh oh)	You and I, you, you and I
Sit back down where you belong	Baby I'd rather die
In the corner of my bar (6) your high heels on	Without you and I
Sit back (7) on the couch where we	You and I, you, you and I
Made love the first time	Nebraska I'd rather die, without you and I
And you said to me	It's been a long time since I came around
There's (something)	Been a long time but I'm back in town
Something, something about this place (something)	And this time I'm not leaving without you
Something about lonely nights	
And my lipstick on your face
