

YoA¼ And I by Lady Gaga

It's been a long time since I came around
Been a long (1)_____ but I'm back in town
And this time I'm not leaving without you
You taste like whiskey when you kiss me awe
I'd give anything again to be your babydoll
This time I'm not leaving without you
He said, sit back down where you belong
In the corner of my bar with your high heels on
Sit back down on the couch were we
Made love the first time
And you said to me
There's (something)
Something, something about this place (something)
Something about lonely nights
And my lipstick on your face (something)
Something, something about my cool Nebraska guy
Yeah, something about baby you and I
It's been two years since I let you go
I couldn't listen to a joke or rock 'n' roll
And muscle cars drove a truck right through my heart
On my birthday you sang me "Heart of Gold"
With a guitar (2)_____ and no clothes
This (3)_____ I'm not leaving without you (oh oh oh)
Sit back down where you belong
In the corner of my bar with your high heels on
Sit back down on the couch where we
Made love the first time
And you said to me
There's (something)
Something, something about this place (something)
Something (4)_____ lonely nights
And my lipstick on your face
