Every Rose Has It's Thorn (Live) by Miley Cyrus

We both lie silently still in the dead of the night	I can still (5) so much pain
Although we both lie close together	Like the (6) (7) cuts you the wound
We feel miles apart inside	heals
Was it something I said or something I did?	But the scar, that scar remains
Did my words not come out right?	Every rose, every rose
Tho' I tried not to hurt you I tried	Every rose has it's thorn
But I guess that's why they say	I know I could (8) saved our love that night
Every (1) has its thorn	If I'd known what to say
Just like every night has its dawn	Instead if making love
Just like every cowboy sings a sad, sad song	We both made our separate ways now
Every rose has it's thorn	I hear you've found somebody new
Yea it does	And that I (9) meant that much to you
I (2) to your favorite song	And hear that tears me up inside
Playing on the radio	And to see you cuts me like a knife
Hear the DJ say love's a game of easy come and	Every rose, every rose, every
Easy go	Has it's thorn
But I wonder does he know	Just like every cowboy sings a sad, sad song
Has it ever felt like this?	Every rose has it's thorn (let me hear you)
And I know that you'd be here right now	(Every rose has it's thorn)
If I could have let you know somehow	Every rose, every rose, every
Every rose has it's thorn	(Every rose) has it's thorn
Just like every night has its dawn	(Every cowboy) sings a sad, sad song
Just like (3) cowboy sings a sad, sad song	(Every rose) has it's thorn
Every (4) has it's thorn
